2. Obligations of the Receiving Party

Embryolab agrees to:

- Hold all Confidential Information in strict confidence and protect it with at least the same degree of care used for their own confidential information, and in no event less than reasonable care
- Not disclose any Confidential Information to any third party, including employees, contractors, or advisors, except those with a strict need to know for the Purpose, and only after such persons have agreed in writing to obligations no less restrictive than those in this Agreement

- Implement, adapt, or apply any methodology, framework, or system described in the Confidential Information without the express written consent of HealthLedgerAI

4. Non-Circumvention

Embryolab agrees not to circumvent HealthLedgerAI by contacting, engaging, or entering into any agreement with any person, company, institution, or research body identified by HealthLedgerAI during the course of disclosures, where such contact relates directly or indirectly to the subject matter of the Confidential Information, without the prior written consent of HealthLedgerAI. This clause applies for a period of three (3) years from the date of last disclosure.

5. Exclusions

The obligations of confidentiality shall not apply to information that Embryolab can demonstrate by written evidence:

Nothing in this Agreement grants Embryolab any licence, right, title, or interest in or to any Confidential Information, or in any intellectual property of HealthLedgerAI. All Confidential Information — including the doctoral research, AI methodology, product concept, and any intellectual property embedded therein — remains the exclusive property of HealthLedgerAI. No disclosure under this Agreement shall be construed as granting any rights under any patent, copyright, trade secret, or other intellectual property right.

7. Return or Destruction of Materials

Upon written request from HealthLedgerAI, or upon termination of discussions between the parties for any reason, Embryolab shall promptly return or certify the destruction of all Confidential Information in their possession, including all copies, notes, presentations, summaries, and derivative works, in any format or medium, and shall confirm such return or destruction in writing within ten (10) business days.

8. Term

This Agreement shall remain in force for a period of **five (5) years** from the date of last signature. The non-circumvention obligations under Clause 4 shall survive for three (3) years from the date of last disclosure.

9. Remedies
